## 100 CLUB

Dear

Re – Your number (s)

---

–Your participation in the 100 CLUB has helped us raise valuable funds for the club.

Your number (s) were entered for our Prize Draw in March/July/November and the Special Christmas draw, we hope you were successful in at least one of the draws. We have had 3 x £50 winners and for our Christmas Special one winner became £100 richer.

Your number (s) is / are now due for renewal and in order to take part in future draws we would appreciate you sending a cheque for £16.20 made payable to ' RSCAC 100 Club '. Your allotted number (s) are shown above and unless we hear to the contrary this / these will continue to be held for you in your name. Of course, you may wish to change your number (s) and this is acceptable providing it has not already been allocated. There are still numbers available, so why not double your chances of winning by taking out a further number. GOOD LUCK !!

Remember your stand a better chance of winning with us than with that other rather more famous lottery drawn on Wednesdays and Saturdays.

Please return this form to your coach, along with your cheque for £ 16.20 in an envelope marked -  
" RSCAC 100 Club Now to be in good time for the future draws.

Many Thanks
